TAPMI Bengaluru and KPMG India Launch Landmark White Paper on AI's Impact on Talent, Leadership and Productivity

CXOtoday News Desk 5 days ago

T. A. Pai Management Institute (TAPMI), Bengaluru, a constituent institution of Manipal Academy of Higher Education (MAHE), an Institution of Eminence Deemed to be University, unveiled a landmark white paper titled "How Organizations are Redefining Talent, Leadership and Productivity in the Age of AI." at the MAHE Bengaluru campus in association with KPMG India. HR FutureScape 2026, a premier leadership conclave focused on the future of work, workforce and workplace, brought together leading industry voices and academic experts to examine how Artificial Intelligence is transforming organizations. The report highlights the growing need to rethink talent, leadership, skills and productivity as organizations move from AI experimentation to enterprise-wide adoption.

The Inaugural session witnessed the presence of Dr. Raghavendra Prabhu, Additional Registrar, MAHE Bengaluru, and Dr. Navaneetha Krishnan S., Dean, TAPMI Bengaluru. It also brought together distinguished industry leaders including Anand Ramakrishnan, an alumnus of TAPMI and Managing Director, EQ India, Anand Talwai, Co-Founder and Executive Director, NextWealth Entrepreneurs Pvt. Ltd., and Narayanan Ramaswamy, Partner, KPMG India and National Head, Education & Skill Development Services. The conclave brought academia and industry together to discuss how AI is reshaping leadership, talent, productivity and the future of organizations.
